FROM

THE SECRETARY
TO THE HON'BLE THE RESIDENT IN MYSORE.

TO

The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

CHIEF SECRETARY. WAR 15 NOV. 1943 GOVT. OF MYSORE

Dated Bangalore, the 13th November *1943.*

Procedure for the payment of compensation for property requisitioned under the Defence of India Rules in Indian States.

SIR,

I am directed to state that

/ the recent instructions from the Government of India and discussion with the local military authorities have shown that the present practice of sending compensation claims for land acquired to the local military authorities for acceptance is both unnecessary and inappropriate. On the analogy of the practice in force in British India, the military authorities when they require any land in Mysore State should approach the Mysore Government through this Residency, or direct in urgent cases, and the Mysore Government will, if they have no objection, take over the land and assess and pay compensation for it. The amount paid with other necessary particulars will be communicated to this Residency, who will immediately raise a debit in favour of the Mysore Government against the Defence estimates through the Accountant General, Madras.

2. Since repayment to them will thus be automatic and will not depend on acceptance of the compensation award, and since it is obviously desirable to pay compensation as soon as possible in these cases, it is presumed that

the..

the Mysore Government will have no objection to paying the owners of the land themselves in anticipation of reimbursement through this Residency. On this assumption, it has been arranged with the local military authorities that the above procedure will come into force with immediate effect and it is therefore requested that compensation awards should not in future be forwarded to the military authorities for acceptance as heretofore.

3. This procedure will not apply to claims to compensation for damages, which will have to be accepted by the local military authorities as before.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

COMPENSATION CLAIMS.

Sir,

I have the honour to forward herewith a copy of the letter No. 1792/11/Q dated 11 Nov. 1943 received from the Headquarters 160 L of C Sub Area on the above subject.

It is stated that in view of the H.Q thern Army letter No. 2850-111/M.L.C. dated 24th April 43 (copy enclosed), "that claims for compensation in respect of land or property made available to the military authorities by the Mysore Government -including claims for crop compensation arising as a result of land having been taken over"-would in future be dealt with by the Residency instead of by the military Headquarters. The H.Q. 160 L of C Sub Area would however, continue to deal with claims for damage to crops, trees, etc., and claims arising from accidents.

In view of the Headquarter's letter quoted above, and as this office cannot address the Residency direct, as per standing orders, all future claims mentioned in para 2 of the Headquarter's letter will be passed on to you for being sent to the Residency for acceptance.

I have the honour to be,
Sir,

3. It was also agreed that this H.Q. would continue to deal with claims for damage to crops, trees, etc., and arising from accidents.

REQUISITION OF PROPERTY UNDER THE DEFENCE OF INDIA RULES IN ADMINISTERED AREAS AND IN INDIAN STATES.

I have the honour to state that the requsitioning of property in the administered area and in Indian State Territories is carried out through the Resident concerned who should arrange for the proper assessment and payment of compensation to the parties concerned direct without reference to the Military authorities, and recoup the same from the Central Government by book adjustment. The procedure for the payment of compensation has been clearly laid down in Government of India Defence Department Secret letter No. 1514-OR/42 dated the 28 July 42 to the address of all provincial Governments. A copy of this letter was endorsed to the Political Department of the Government of India, who it was presumed communicated these instructions to all the Residents concerned. A copy of the letter in question is forwarded herewith for reference and return.

2. In view of the above it is not clear why the Military Authorities are being called upon to approve of the payment of compensation for properties requisitioned in the Mysore Territory. Will you therefore please state whether the letter referred to above has been received by you from the Political Department or not. If not the Government of India will be addressed to communicate it to all the Residents to avoid confusion and unnecesssry correspondence.

Subh Ziddy With reference to your Memo No.W.1232-42-W 104-43-2 dated 2nd December 1943 on the subject, I have the honour to state that all transactions arising in the State Treasuries on behalf of the Government of India are adjusted through His Majesty's Jamakarch accounts which are rendered bi-monthly by this office to the Officer-in-charge of the Hon'ble the Resident's Treasury, Bangalore.

2. Similarly, payments on account of Compensation for lands acquired for Military purposes are now being included in the Jamakarch account only (vide this office memo No.874/Books dated 31-10-42 addressed to you) and the same account procedure has, I think, to continue in respect of future payments also, though there may be some change in the existing administrative practice. I, therefore, request that the approval of the Residency for continuing the existing Account procedure may be kindly obtained and communicated to me, so that I may issue necessary instructions in the matter.

To

Sir,

Procedure for the payment of compensation for property requisitioned under Defence of India Rules in Indian States.

I have the honour to state that according to the new procedure, on the above subject, communicated with your No.W.1232-42 W.104-43-3, dated the 2nd December 1943, compensation in respect of lands requisitioned by the Military authorities, either through the residency or direct in case of urgency, will have to be made by the Mysore Government first, in anticipation of reimbersing the same through the Residency, who on receipt of a claim from the Mysore Government, will raise a debit in favour of the Mysore Government through the Accountant General, Madras.

According to the procedure hither to in force, bills in respect of lands requisitioned for military purposes would be sent to the military H.Q. for countersignature and accepted claims would be charged to M.M's Jamakarch account, in the treasuries.

But in the new procedure it has not been stated as to who should authorise payment in respect of lands taken over by the Mysore Government for being made over to the military authorities, and the source from which the amount of compensation should be paid, pending reimbursement from the Government of India.

In the circumstances, I request you to obtain definite orders of Government on the subject and issue instructions to the Comptroller to authorise payment of the amount at the treasuries on presentation of the bills.
